Kids Kollege 2008 will be held the following weeks for kids ages 6-12:

Session #1: June 16-19
Session #2: June 23-26
Session #3: June 30-July 3

Classes will be held **Monday through Thursday** from 8:30 a.m. until 12:00 noon. The registration table will open at 7:45 a.m., on Monday of each session, with orientation beginning at 8:15 in the Students Commons Cafeteria. At this time, children will receive their class schedule, learn the location of their classes, and will be introduced to the faculty and staff of KIDS KOLLEGE 2008.

Each child will attend three (3) classes per week. When registering, your child should select four (4) of the six (6) classes, ranking them in priority. When the child's schedule is prepared, he/she should receive three (3) of the four (4) classes. Children attending two (2) sessions will receive all six (6) classes.

With the exception of Monday morning, children should arrive on campus just before their 8:30 class. Parents should see that their child is picked up ***promptly*** at 12:00 noon.

The daily schedule for Kids Kollege is as follows:

8:15- 8:30 a.m.	Orientation (Monday only)
8:30- 9:30 a.m.	Class #1
9:30- 9:40 a.m.	Break/change classes
9:40-10:40 a.m.	Class #2
10:40-11:00 a.m.	Break*
11:00-12:00 noon	Class #3

*Children may bring money to purchase snacks and/or drinks from the vending area during the 10:40-11:00 break.

In order to maintain quality and enjoyment, KIDS KOLLEGE classes will be limited to an average of 15-18 per class. THIS IS ON A FIRST-COME, FIRST-SERVE BASIS AS REGISTRATION AND FEE PAYMENT ARE RECEIVED. You may call to register your child, but you must mail or bring in the registration fee immediately in order to guarantee the registration. The registration fee is \$75 per week. Two (2) or more brothers/sisters may attend for \$55 each per week. Due to the limited enrollment, no refunds will be given. To obtain more information, or to register, please call: (606) 451-6797.

KIDS KOLLEGE 2008 CLASSES & STAFF

SLIME TIME, T. J. Bower: Ooey-gooley slime!!! Find out why slugs, snails, worms, frogs and salamanders are slimy! Are they slimy on the inside, too? You'll find out when they're dissected, and then you'll make your own ooey-gooley slime to take home!!!

TREASURES FROM THE DEEP, Jami Wallen: Sea shells, fish, hidden treasures ... you never know what you'll find "under the sea", but Jami will help you discover all kinds of treasures! Come dive into the depths. Create your very own take-home treasures!

KOMPUTERZ 4 KIDS, Dana Muse: This hands-on educational class will include computer basics, graphics, pictures and more. Have fun while you increase your knowledge of the computer and its capabilities. For those with some computer knowledge, a more advanced approach will be used. (Kids must have completed 1st grade in order to take this class.)

TENNIS, Sean Ayers: The basic skills of tennis are taught--for eye-hand coordination, competitiveness and fun. The class will include rules, mini-tennis fundamentals, and shot production. For those with some tennis skills, an intermediate approach will be used.

FINE ART, Shannon Maisel: Students will create two projects based on artwork from artists in history as indicated: **Session #1: Drawing and Printing: It's not all black and white.** We will look at artwork by Jean-Michel Basquiat and Ghada Amer. **Session #2: Color: How Complimentary of You!** We will explore the use of color in art, creating projects based on the work of Pop Artist Andy Warhol, and Op Artist Bridget Riley. **Session #3: Pattern Painting: Bold is Beautiful,** using both line and color, we will explore the beauty of pattern, examining the artwork from aboriginal Australia as well as Pattern Painters like Joyce Kozloff. Images used will be age appropriate.

I WANT TO PLAY ... Mom & Dad won't let me ... Jordan Gossett and Kenny Hughes: As one of our most requested classes, we're back with a variety of organized sports and games, with emphasis being placed on rules and sportsmanship. New games ... new challenges, but as always, you win some; you lose some. ***Dress for Mess!***

NEW ACTIVITY THIS YEAR!	<p><u>For 1 session only ... June 23-26: MAC ATTACK: LOOKS CAN BE DECEIVING:</u> Come explore the world of photo manipulation utilizing Macintosh computers. Students will have the opportunity to use digital cameras, upload pictures to the computer and then use Photoshop to manipulate the photographs. We will use a variety of methods used by designers who work with Photoshop on a daily basis. The class will be held on SCC's South Campus, Building 2, Room 225 in the Visual Communications Department. This class is part of Kids Kollege; however, students who enroll in this class will participate in this class ONLY from 8:30-12:30 Monday through Thursday. The cost of the class is \$75, and enrollment is limited to the first 16 who register and pay. <i>Instructors: Donna Eastham and Cindy Burton.</i></p>
