SOMERSET COMMUNITY COLLEGE

PRACTICAL NURSING PROGRAM

APPLICATION PROCEDURE

- **Submit a current college application to the Admission's Office. If you have been out of college for a semester or more, you will need to complete a new application.**

- **Take the ACT or COMPASS exam. Please request exam scores to be sent to SCC.**

- **A letter of intent (for the current admission period) to the PN Coordinator indicating which program (Somerset, Career Pathways MNA to LPN (evening/weekend), Laurel, or Clinton) and the semester you wish to be considered. *(Please include in packet when submitted.)***

- Attend a pre-admission conference. You must attend one conference during each admission period unless waived by the PN Coordinator

- **Submit a complete application folder to the PN Coordinator by the October 1st deadline for the spring admission period and March 1st deadline for the fall admission period. Packets must be received by 4:30 pm on deadline date. (The admission committee reserves the right to extend the deadline if needed with preference given to those students who met the previous deadline.)**

Your folder should contain the following documents requested from the admissions office. The coordinator will pass out forms and have students sign and be collected so that the coordinator may submit them to the admissions office. The student will be able to specify which campus admissions office that they will pick up their completed packet (Somerset, Laurel, or Clinton). The student will be responsible to pick their packet up at the designated admissions office and submit to the coordinator prior to the deadline. (Please allow at least *two weeks* for receiving the requested packet.)

A copy of college application (do not submit original to me)
Official high school transcript with graduation date identified or a passing GED score
Official transcripts from ALL colleges, universities, and/or vocational schools attended since high school.
ACT or COMPASS scores

NOTE: Please present your packet to one of the following: Cheryl Ping Office # 302, Phone# (606) 451-6841 at the Alton Blakely Building on the Somerset North Campus or Kathy Howard, Phone# (606) 878-4831office #214 at the Health Sciences Building on Laurel North Campus or Amanda Smith Office #103, phone# (606)387-3705 at the Clinton Center so that they may verify that all information required is included in the PN Packet. They ***will not*** accept the packet if it is not complete. Please call them prior to coming to campus so that someone will be available to review and accept your packet,

DO NOT MAIL YOUR PACKET.

- **Submit proof of active status on the Kentucky Nurse Aide Registry to be submitted by 1st day of class when admitted to program.**

- **Submit proof of CPR – (American Heart Association Health Care Provider) submitted by 1st day of class when admitted to program.**

If you are not admitted to the nursing program and you want to be considered again for admission, you will need to attend another pre-admission conference unless waived by the PN Coordinator and submit a new packet. You may also need to update your records in the Admission's Office.

If you are applying for readmission into the program, you are responsible to complete a new packet and submit it by 4:30 pm on the deadline date. Deadline dates for readmission may be waived upon the discretion of the coordinator.

PROGRAM REQUIREMENTS

Upon admission into the program, students must meet the following requirements:

- **Attend the mandatory program orientation and registration session;**
- **Submit required health screening and immunization documentation**
- **Submit criminal background check and drug screen (information of company will be given to students during orientation**
- **Assume financial responsibility for tuition, required textbooks, uniforms, supplies, professional liability insurance, and criminal background check/drug screen.**

ADMISSION REQUIREMENTS

Admission to the Somerset Community College Practical Nursing Program is limited due to available laboratory facilities, as well as faculty and financial resources. Therefore, a selective admission process is implemented. The selective admission as outlined below applies to anyone applying for admission beginning in the Fall, 2005.

Practical Nursing Selective Admission Policy

Admission to Somerset Community College does not guarantee admission to the Practical Nursing Program. The guidelines outlined below establish requirements for selection into the Practical Nursing Program. In addition to the college entrance requirements, the college will, in compliance with KCTCS regulations and in the manner and to the extent permitted by law, endeavor to provide opportunities to all students population in the Practical Nursing Program.

Selection of students for the Practical Nursing Program will be made by an admissions committee appointed for this purpose. Preferences MAY BE given in the following categories.

1. **Applicants who demonstrate an above average GPA in high School or on the General Education Development Examination (GED);**

2. **Applicants with ACT or Compass placement exam scores exceeding the standards for required admission;**

3. **Applicants who have completed 12 or more credit hours in the KCTCS approved Practical Nursing curriculum with a GPA of 3.0 or better from any regionally accredited college.**

The admissions committee will meet to select the upcoming class. Only applicants who have met all the program admission requirements will be considered. A copy of the Practical Nursing Selective Admission Assessment Form is included in this information packet.

Technical Standards

Nursing at the technical level involves the provision of direct care for individuals and is characterized by the application of verified knowledge in the skillful performance of nursing functions. All students should possess:

1. **Sufficient visual acuity, such as is needed in preparation and administration of medications, and for the observation necessary for patient assessment and nursing care;**
2. **Sufficient auditory perception to receive verbal communication from patients and members of health team and to assess health needs of people through the use of monitoring devices such as cardiac monitors, stethoscopes, IV infusion pumps, Doptones, fire alarms, etc.;**
3. **Sufficient gross and fine motor coordination to respond promptly and to implement the skills, including the manipulation of equipment required in meeting health needs;**
4. **Sufficient communication skills (speech, reading, writing) to interact with individuals and to communicate their needs promptly and effectively, as may be necessary in the individual's interest; and**
5. **Sufficient intellectual and emotional functions to plan and implement care for individuals.**
