

Mission Statement
Somerset Community College

Somerset Community College, located in south-central Kentucky, is a comprehensive community and technical college with a mission to provide quality, affordable, and accessible educational and training opportunities that address the needs of its district. The College offers students educational experiences and associated services through traditional campus-based and distance learning modalities that promote intellectual curiosity and lifelong learning and encourage aesthetic awareness and social responsibility.

Somerset Community College will provide:

- Academic, general education, and technical curricula leading to certificates, diplomas and associate degrees;
- A general academic curriculum of university-parallel courses and programs meeting requirements of the first two years of a baccalaureate degree;
- Technical and occupational curricula designed to meet current and future workforce needs;
- A comprehensive program of remedial and developmental education;
- Customized training to meet the changing needs of business and industry;
- Adult and continuing education; and
- Associated services including, but not limited to, library services, cultural and enrichment opportunities, information technology resources, and appropriate student support services.
