## PROGRAM DETAILS

*The Radiography program at Somerset Community College prepares the graduate to become a radiographer and offers training for administering ionizing radiation for medical diagnostic imaging purposes. Graduates are prepared to take the American Registry of Radiologic Technology Examination. The curriculum is comprised of specialized courses in radiography along with concentrated studies in the basic sciences, mathematics and general education.*

*Specifics about this program include:*

- Five semester program
- Leads to Associate in Applied Science Degree (AAS)
  - Radiography coursework
  - Theory/skills presented in lecture/lab format
  - Clinical component: community agencies providing clinical services
  - Selective admissions/limited enrollment

## PROGRAM MISSION STATEMENT

*The mission of the SCC Radiography Program is to*

*provide a quality, affordable education in the field of radiologic technology. Using theory and performance-based instruction, the program's faculty strives to provide an educational environment which equips the student with entry level radiography skills, as well as strengthening critical thinking, problem solving and communication skills.*

*Goals:*

- 1. The student will exhibit critical thinking and problem solving skills.*
- 2. The student will utilize oral, written and interpersonal communication skills.*
- 3. The student will demonstrate professional growth and development.*
- 4. The student will develop clinical performance skills and competencies of an entry level radiographer.*
- 5. The program will continually monitor its effectiveness in graduating entry level radiographers.*

## CREDENTIALS:

ASSOCIATE IN APPLIED SCIENCE DEGREE:  
AAS in Radiography (75 credit hours)

## TECHNICAL STANDARDS

- Adequate visual acuity
- Adequate auditory perception
- Sufficient strength, gross motor and fine motor coordination
- Sufficient verbal and written communication skills

## ADDITIONAL CRITERIA

Upon admittance the student must submit the following materials prior to beginning clinical experiences:

- Evidence of receiving the Hepatitis B vaccine series or a vaccine declination form
- TB skin test
- Immunizations records
- Background check and drug screening

## PROGRAM OUTCOMES

As part of the program's accreditation, the program must conduct ongoing outcomes assessments. A complete copy of the outcomes assessment is available from the program coordinator upon request. Outcomes of particular interest to the potential applicant include:

- 5-year average program completion rate of 77 percent
- 5-year average ARRT pass rate on first attempt of 95 percent
- 5-year average job placement rate (within 6 months) of 81 percent
- 5-year average graduate satisfaction rate of 98 percent
- 5-year average employer satisfaction rate of 97 percent

## PROGRAM ACCREDITATION

The Program is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT). Their address is 20 North Wacker Drive, Suite 2850, Chicago, IL 60606-3182, phone (312) 704-5300.

## CAREERS

Radiographers may find positions in hospitals, health clinics, and physicians' offices.

## EXPENSES & FINANCIAL ASSISTANCE

In addition to tuition, students are responsible for transportation to the various clinical sites, professional liability insurance, books, markers, and uniforms. Any student seeking financial assistance should contact the Financial Aid Office on the Somerset Campus or Laurel Campus.
